The screenshot displays the Odoo Inventory application interface. At the top, a navigation bar includes 'Inventory', 'Overview', 'Operations', 'Products', 'Reporting', and 'Configuration'. Below this, a sub-header shows 'Products / [ASIA-1003] Ching's Secret Dark Soy Sauce' and 'Stock Locations'. A modal window titled 'Create Lot/Serial Number' is open, featuring a search bar and a table of existing lots. The 'Lot/Serial Number' input field is highlighted with a red box and labeled '2'. A red arrow points from the 'INVENTORY' section to the 'Product' dropdown, labeled '3'. Another red arrow points from the 'DATES' section to the 'Expiration' field, labeled '4'. A third red arrow points from the 'Alert from' field to the 'Best before' field, labeled '5'. A fourth red arrow points from the 'Removal Date' field to the 'Removal Date' field, labeled '6'. A fifth red arrow points from the 'Removal Date' field to the 'Removal Date' field, labeled '7'. The background table lists inventory items with columns for 'Location', 'Product', and 'Unit'.

The screenshot displays the Odoo POS interface. On the left, a list of products is shown, including 'Ching's Secret Dark Soy Sauce, Bottle 210g' and 'Ching's Secret Schewzan Chutney'. The main area shows a detailed view of the selected product, including its sales price, cost, and on-hand quantity. A 'P-touch Editor' window is overlaid on the product view, showing a label design for 'Ching's Secret Dark Soy Sauce, Bottle 210g' with a barcode and a price tag of '2.49 €/Unit'. The label editor includes a 'Paper' tab with settings for paper size, length, and orientation. A red arrow points to a red circle with the number '1' in the bottom right corner of the label editor window.
